

YoungStroke 2016 Dec. 13 & 14 Jacksonville, Florida

Raising Awareness About Management & Treatment of Stroke in Young Adults

Call for Posters

YoungStroke 2016 will bring together leading scientists, physicians, therapists, and patients towards bridging the gaps in prevention, recognition and treatment of young adults with stroke.

Join the conversation...Submit your abstracts for poster presentation prior to July 1, 2016.

Set-up: Tuesday, December 13, 9 am – Noon, Omni

Take-down: Wednesday, December 14, 5 pm -6 pm

Location: Omni Jacksonville, 245 Water Street,
Jacksonville, Florida 33203

Format

1. Maximum word count for abstract is 350 words, excluding authorship, affiliations, and keywords. Abstract should be double spaced.
2. The title should be brief but descriptive enough to identify the nature of the study.
3. Structure should contain the following components:
 - a. Objective
 - b. Methods
 - c. Results
 - d. Conclusion & Relevance
4. Tables and Graphs: One table or figure may be included

DEDICATED TIMES FOR PRESENTATIONS ARE PLANNED FOR BOTH Tuesday, December 13 AND Wednesday, December 14, 2016.

Drug names: Use product names when necessary (capitalized) and chemically generic names (lower case) wherever possible.

Peer Review: Abstracts will be blinded for peer review.

Submission Dates: November 15, 2015 – *July 1, 2016.*

Attendance: At least one of the authors must register and attend the conference.

Submissions: Submit abstracts to info@youngstroke.org

Notification: Email notification of accepted posters will occur on or before August 1, 2016.
